Throughout this **policy** there are words that have specific meanings. These words are explained below and wherever **we** use these words in this **policy** they will be shown in "**bold**".

This can include any combination of **your** mortgage, other loan secured on **your** home or the rent payable for **your** home. (It is imperative that **you** advise **us** immediately of any change in **your commitments** as any claim payments will be limited to the value of **your commitments** that can be proven at the time of claim).

Cover Increase Date The **start date** or the date at which the **monthly benefit** increased or the **cover type** in question was last altered, in a way that improves the cover provided by this **policy**, whichever is the later. (Any new **cover increase date** will only apply to the increased **monthly benefit** or the parts of a change in **cover type** that improve the cover provided and will be applied according to the type of claim being considered).

Initial Exclusion Period A period of 90 days immediately following a **cover increase date** and only applicable if the **cover type** is or includes unemployment. (If **you** have transferred cover from an alternative insurer that has provided full unemployment cover for this **commitment** over at least the last 6 months, for which **you** have not made a claim in the last 6 months and **you** can provide proof of this prior cover then, subject to a limit of the same benefit amount, this **initial exclusion period** will be waived).

If **you** are not eligible for a **Jobseeker's agreement** or if **you** have paid sufficient National Insurance Contribution Credits and are no longer required to register at the Jobcentre **you** must provide evidence of this and in addition provide acceptable, on-going, alternative evidence that **you** are unemployed and that **you** are regularly and actively seeking **work**. This could be a combination of copies of job applications, invitations to interviews, job rejections and confirmation of registration with employment agencies.

Payment In Lieu Of Notice Any payment **you** receive that relates to the notice period **you** should have served under **your** contract of employment. If **you** were contracted to have a lieu of notice period but this was renegotiated in a settlement agreement, **we** will use the period of notice **you** should have served as stated in **your** contract of employment.

Policy This document (code ME08) which details the terms and conditions of **your** cover. It should be read in conjunction with **your** current **schedule**. Lloyd's are authorised by the Prudential Regulation Authority (PRA) and regulated by the Financial Conduct Authority (FCA).

Pre-existing Medical Condition Any condition, injury, illness, disease, sickness or related condition and/or associated symptoms, whether specifically diagnosed or not, for which medical evidence shows **you** knew about or were experiencing symptoms that **you** would have been aware of at the **cover increase date** or for which **you** sought or received advice, treatment or counselling from any **doctor** in the 12 months prior to the **cover increase date**.

ELIGIBILITY

You are eligible to take out this cover if:

- **You** are living in the UK.
- **You** are **working** and have completed any probationary period (if **you** are found to have been off **work** for any reason at the **start date, your** cover will be treated as if the **start date** is the day **you** are back at **work**).
- **You** are named as a person responsible for the payment on the document evidencing the **commitment** for which cover has been provided.
- **You** are aged 18 years or over but less than 63. Applications for cover will be accepted if **you** have

recently turned 63 at the **start date**, providing **you** were 62 at the time cover was quoted.

- **You** are not aware of any impending unemployment that may affect **you** including, but not limited to, dismissal, misconduct, poor performance, any wilful act by **you** or not aware of any announcement or action by **your** employer, prior to the **start date**, in relation to the department or division of the business in which **you work**, and which relates to any redundancies, employee consultations, restructures, mergers or reorganisations that have led or could lead to compulsory job losses, mandatory reduced working hours or mandatory reduction in salary. This includes unemployment arising because **you** become a carer.
- **You** are not **self-employed**.
- **You** are able to sign the declaration without any reservation or qualification.

COVER & BENEFITS

This **policy** is designed to protect **your** monthly **commitments** against **you** being away from **work** due to **you** becoming sick or injured or being out of **work** due to **you** becoming unemployed. (Please refer to **your schedule** for the **cover type** that **you** have selected).

If **you** have other unemployment, accident, sickness, disability or carer cover in addition to this **policy** then, on acceptance of any claim, the amount payable under this **policy** will be reduced by the greater of the amount covered elsewhere for the same **commitment(s)** or the amount by which the combined benefit would exceed **net income**.

- Accident & Sickness only cover will only pay out for disability and **you** will not be able to claim for unemployment. If **you** become unemployed whilst claiming for disability **you** will only continue to receive **monthly benefit** payments while **you** remain disabled. **You** can choose to have the first **monthly benefit** of any claim paid after a **waiting period** of 30, 60 or 90 days depending on which best suits **your** circumstances.
- Unemployment only cover will only pay out for unemployment and **you** will not be able to claim for disability. If **you** become disabled when **you** are claiming for unemployment **your monthly benefit** payments will be suspended until **you** are able to continue actively seeking **work** and have a **Jobseeker's agreement**. **You** can choose to have the first **monthly benefit** of any claim paid after a **waiting period** of 30, 60 or 90 days depending on which best suits **your** circumstances.
- Accident & Sickness and Unemployment as a single **cover type** combines the benefits of both types of cover and will provide **you** with the maximum protection available under this **policy**. Again **you** can choose to have the first **monthly benefit** of any claim paid after a **waiting period** of 30, 60 or 90 days but the **waiting period** chosen will apply to both accident & sickness and unemployment claims or a combination of both.

There are a number of requirements **you** must satisfy for **you** to be able to claim for any of these circumstances. These requirements are set out under the relevant sections below.

You have to satisfy these requirements for a period of days greater than the **waiting period** before any claim can be considered. Once the requirements have been satisfied **your** first payment of one **monthly benefit** will become due on the day following the expiry of the **waiting period**. This will be paid as soon as **our** investigations into **your** claim have been completed.

Where **you** have chosen to have a **waiting period** exceeding 30 days, only one **monthly benefit** will

become due on the day following the end of the **waiting period** and consequently no benefits will ever become payable for the initial period during which **you** satisfy the claim requirements.

As long as **you** continue to satisfy the requirements, further payments will become due each full calendar month thereafter until the **maximum benefit period** of 12 **monthly benefits** have been paid.

If **your** claim ends after at least one **monthly benefit** has been paid, but before the **maximum benefit period** has been completed, then **we** will pay 1/30th of the **monthly benefit** for each of the days between the due date of **your** last **monthly benefit** and the last day **you** satisfy the claim requirements.

MAKING CHANGES

Your policy is designed to adapt to **your** requirements and provide the cover **you** want over many years but it is important to note that **we** can alter the terms of the **policy**, the cover options available and the premiums applicable if **we** feel it is appropriate. If **we** feel any change is required **we** will advise **you** what is to change, why it is to change and **we** will do this as quickly as possible but in any event at least 30 days before the change applies.

You can request changes to **your** cover choice and the **commitments** covered at any time but it is important to note that no change requested by **you** will be considered whilst a claim is in progress or under consideration and no change, other than a reduction in **monthly benefit**, will be considered at any time when **you** are unable to confirm that the eligibility requirements at the **start date** re-apply at the date of change.

You have no obligation to cover more than one **commitment** but it is important that **you** cover the correct amount for each **commitment**. If **you** make a claim **you** will be required to provide evidence of the amount covered for each payment type and if there is any discrepancy then any claim payment will be for the lower of the amount **you** have covered or the amount **you** can evidence for that type of payment.

If **you** choose to cover **your** mortgage payment **you** can only include the contracted regular payment amount and not any voluntary overpayments that **you** may choose to make. For the avoidance of doubt, the full contracted repayment on a repayment mortgage or the interest on an interest only mortgage can be covered. Where a mortgage is structured as an offset or current account mortgage or similar then **you** may cover the normal or average interest charged which will be assessed as an average over the 6 months prior to claim, or if applicable, the minimum guaranteed repayment agreed between **you** and **your** mortgage provider.

It is also important that **you** check that the new **monthly benefit** does not exceed **net income** (75% of **your** regular income after all deductions) or £2,000 per month, whichever is the lower because any claim payment will be for the lower of the amount **you** have covered or the **net income** **you** can evidence over the 6 months immediately prior to **your** claim.

On request **we** will change the **cover type** **you** have selected i.e., **you** have selected unemployment only cover but wish to change to accident & sickness and unemployment cover or **you** wish to change the **waiting period**. When adding a new **cover type** it is important that **you** first read carefully the exclusions that refer to **cover increase date**. It is equally important that **you** consider these exclusions before removing a **cover type** that **you** may wish to re-apply at a later date.

If **you** make a change to **your policy**, **your** premium may change.

If **you** need to make a change to **your policy** you can do this by contacting **us** using the details below:

The Policy Servicing Department
MMS
Melbourne House, Melbourne Street, Farsley,
Pudsey, Leeds, LS28 5BT

Telephone: 0113 255 8611

If **you** write to **us** to make a change, please ensure that **you** tell **us** as much as **you** can about the change in order that **we** can deal with **your** request.

PREMIUMS

The premium for this cover is shown in the **schedule** and **we** will collect this premium each month by direct debit. The premium will alter if **you** alter **your commitment** (or **monthly benefit**) and/or **cover type** and **we** can alter **your** premium at any time provided **we** let **you** know 30 days in advance.

Each monthly premium is due for payment on and applies from the **monthly anniversary** of the **start date** of cover. For the purpose of the termination conditions below, the 'due date' on which **you** have to make payment of **your** premiums is the day of the month **we** advise **you** **we** will be collecting **your** direct debit.

No increase or decrease in premium, for any reason, will be backdated and, at the earliest, will apply from the next **monthly anniversary** of the **start date** of cover.

The premium for this cover varies with age but provided **you** ensure that the premiums are paid on time the premium **you** pay is always based on the age **you** had attained at the **start date**. This means you effectively gain a discounted rate if **you** retain the cover through the age bands. **You** will be asked to provide proof of **your** age if **you** make a claim and only original documents or copies that have been certified by a Solicitor, Commissioner for Oaths, **Doctor**, Bank, Building Society manager, Councillor, professionally qualified person or MP will be accepted.

ACCIDENT & SICKNESS REQUIREMENTS

This cover only applies if **your** current **schedule** shows that **you** have chosen to include "Accident & Sickness cover" as, or as part of, **your cover type**.

You can claim for accident & sickness if, during the **term** of this **policy** and since the last **cover increase date**, **you**:

- ☛ Sustain an injury that is caused by accidental or violent means or;
- ☛ Suffer sickness which is not a **pre-existing medical condition**.

And if, in either case, all of the following apply:

- ☛ **You** are under the care of a **doctor** who declares, on a continuing basis, that **you** are unfit to engage in **your** normal job or occupation.
- ☛ **You** do not attend **your** normal place of **work** or become involved in any liaison (verbal, electronic or written) related to **your work**.
- ☛ **You** are not attending or undertaking any form of job or occupation.
- ☛ **You** have actively worked for 6 months uninterrupted immediately prior to **your** injury or sickness. If **you** were not **working** due to sickness or holidays, **we** will not count this as a break in employment. If **you** have had a previous claim under any section of this **policy** which resulted in less than the **maximum benefit period** of 12 **monthly benefits** being paid and **you** have not since then returned to **work** for at least 6 months uninterrupted, **we** will consider **your** claim as a continuation of **your** previous claim and no **waiting period** will apply. As long as **your** claim continues

to meet the requirements of **your policy** you will receive further payments up to the **maximum benefit period** of 12 **monthly benefits** in total.

- ☛ If **you** have made a disability claim lasting the **maximum benefit period**, no further disability claims shall be admissible until **you** have been in **work** for a further 30 days uninterrupted if the disability is different or a further 6 months uninterrupted if the disability is the same.
- ☛ None of the General Exclusions shown below apply to **your** circumstances.

UNEMPLOYMENT REQUIREMENTS

This cover only applies if **your** current **schedule** shows that **you** have chosen to include "Unemployment cover" as, or as part of, **your cover type**.

An employed person can only claim for unemployment if all of the following apply:

- ☛ **You** become unemployed during the **term** of this **policy** and since the last **cover increase date**.
- ☛ **You** have been actively **working** on a **full time permanent** basis for 6 months uninterrupted immediately prior to becoming unemployed. If **you** were not **working** due to sickness or holidays, **we** will not count this as a break in employment. If **you** have had a previous claim under any section of this **policy** which resulted in less than the **maximum benefit period** being paid and **you** have not since then returned to **work** for at least 6 months uninterrupted, **we** will consider **your** claim as a continuation of **your** previous claim and no **waiting period** will apply. As long as **your** claim continues to meet the requirements of **your policy** you will receive further payments up to the **maximum benefit period** of 12 **monthly benefits** in total.
- ☛ **You** satisfy the requirements in the eligibility section above.
- ☛ Prior to the **start date** or in the following **initial exclusion period** you were not aware of any impending unemployment that may affect **you** including, but not limited to, dismissal, misconduct, poor performance, any wilful act by **you** or **you** were not aware of any announcement or action by **your** employer in relation to the department or division of the business in which **you work**, and which relates to any redundancies, employee consultations, restructures, mergers or reorganisations that have led or could lead to compulsory job losses, mandatory reduced working hours or mandatory reduction in salary. This includes unemployment arising because **you** become a carer.
- ☛ If **You** have been **working** on a **full time semi permanent** basis and all the above otherwise apply any claim will be considered but additionally limited in duration to a period equal to the unexpired period of **your** current contract.
- ☛ **You** are continually available for **work** and actively looking for **work** and **you** must be able to demonstrate this by the provision of third party documentation.
- ☛ None of the "Unemployment Exclusions" or "General Exclusions" shown below apply to **your** circumstances.
- ☛ Either **you** have a **Jobseeker's agreement** or **you** give up **work** to care for **your** husband, wife, partner, civil partner, parent or child for which **you** are in receipt of Carer's Allowance from the Department for Work and Pensions. (This only applies if **your** unemployment is due to **you** becoming a carer).

UNEMPLOYMENT EXCLUSIONS

- ☛ **You** do not have a **Jobseeker's agreement**.
- ☛ Prior to the **start date** or in the following **initial exclusion period**, **you** were aware of any

impending unemployment that may affect **you** including, but not limited to, dismissal, misconduct, poor performance, any wilful act by **you** or **you** were aware of any announcement or action by **your** employer, in relation to the department or division of the business in which **you work**, and which relates to any redundancies, employee consultations, restructures, mergers or reorganisations that have led or could lead to compulsory job losses, mandatory reduced working hours or mandatory reduction in salary. This includes unemployment arising because **you** become a carer.

During your claim

We may require additional medical evidence in addition to the initial report from **your doctor**. If **we** do **we** will contact **your doctor** and **we** will pay the costs for this additional medical evidence.

At any time throughout the period of a claim **we** can require **you** to attend a medical examination or have **our** medical officer study **your** medical records. If **we** require this evidence **we** will pay the fees charged by the **doctor** carrying out the medical examination and also **our** medical officer's fees. **You** will be given advance notification but it is essential that **you** make **yourself** available for any medical examination. If **you** do not, or **you** fail to attend the arranged appointment, **your** entitlement to **monthly benefit** may cease.

We may contact any other person, or organisation, that **we** consider necessary to assist in checking **your** claim and **you** must, where required, provide **us** with **your** signed consent.

We may also arrange, at any time during a claim period, for a member of **our** staff, or the staff of another company acting on **our** behalf, to visit **you** to gather details relating to **your** claim in order to ensure accurate assessment and/or discuss the progress **you** are making in getting back to **work**. It is essential that **you** make **yourself** available for any visit. If **you** do not, or **you** fail to attend the arranged visit, **your** entitlement to **monthly benefit** may cease.

We will only pay the **monthly benefit** once **we** have satisfactory evidence of **your** entitlement to claim.

If any of the **commitments**, which are being covered under this **policy**, are being paid for by another party **you** will no longer be deemed responsible for those **commitments**. The claim amount will be reduced by the amount of the **commitments** being paid for by another party. **We** reserve the right to seek reimbursement of any overpaid amount.

For accident & sickness claims **you** will be required to complete continuation claim forms, which will be provided by **us**, for the duration of **your** claim. The relevant section of the form will need completing by **your doctor**.

For unemployment claims **you** will be required to complete continuation claim forms, which will be provided by **us**, for the duration of **your** claim. **You** will also be required to provide third party evidence that **you** are still unemployed and third party evidence that **you** are regularly and actively seeking **work**. (If **you** gave up **work** to become a carer, in addition to the continuation claim form, **you** will need to provide proof that **you** are still in receipt of Carer's Allowance).

You must supply and pay for all information or evidence **we** ask **you** for during **your** claim. The **monthly benefit** will not be paid for any period for which the information or evidence **we** have asked **you** for is not provided by **you**.

When making a claim under this **policy** **you** should continue to pay the monthly premium to **us**, as failure to pay could affect **your** claim and the continuation of **your** cover.

INFORMATION YOU HAVE GIVEN

In deciding to accept this **policy** and, where applicable, make any changes to **your policy** **we** have relied on the information **you** have given.

If **we** establish that **you** deliberately or recklessly provided false or misleading information **we** will treat this **policy** as if it never existed and decline all claims and **we** will not return the premium paid.

If **we** establish that **you** carelessly provided false or misleading information it could adversely affect **your policy** and any claim. For example **we** may:

- ☛ Treat this **policy** as if it had never existed and refuse to pay all claims and return the premium paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered.
- ☛ Cancel **your policy**.

OTHER TERMS OF THIS POLICY

- ☛ The maximum total benefit shown in the **schedule** is the maximum **we** will pay in total for any one claim month, regardless of the amount of the **monthly benefit** under this or any other cover **you** have with **us**. No refund of premium will apply in respect of any amount that **you** have over insured in excess of this limit.
- ☛ **Our** liability is always limited to the payment of the **monthly benefit** and any claims for other losses are excluded from this cover.

- We shall not provide any benefit under this **policy** to the extent of providing cover, payment of any claim, or the provision of any benefit where doing so would breach any sanction, prohibition or restriction imposed by law or regulation.
- You cannot assign any rights you have under this cover. The cover is entirely personal to you as the person it was issued to.
- Nobody other than us has the authority to alter anything in this **policy** or the **schedule**. The terms of this cover are exactly as set out in this wording and the attached **schedule**. If we agree to alter anything including your commitments and/or cover type or apply discretion to any circumstances we will always confirm the situation to you in a form signed by one of our authorised officials.
- Unless we have specifically agreed otherwise this cover is subject to English Law and it is a condition of the cover that no action at law or in equity can be brought more than 3 years after the first day on which the circumstances causing the claim or other event causing the action first exist.
